

PRESS RELEASE

Bags, Bags, Bags – the great selection!

Whether a carry bag, a trolley bag or a bag for the golf buggy: no golfer can do without them. Not only because of the 14 clubs, the maximum that can be brought on the course, but also because of the many small things that you need: golf bags are simply indispensable. And practical, And diverse. And chic!

A huge range of bags in 80(!) different designs is offered – from classic to sporty to elegant, colourful and ultra-light – by the JuCad brand, one of the largest German suppliers and producers of elegant golf trolleys, handmade in Germany. And upon request, all JuCad bags can be personalised with name and logo.

Whether small, medium or large – all JuCad golf bags are made from high-quality materials with many practical details such as 14 full-length club compartments, an umbrella pocket, several exterior pockets or cooler compartments – and with convenient carry grips.
