Weather & Travel Allrounder

It is not just your precious golf clubs that need to be well protected and „fit for travel“: JuCad, the industry leader in electric trolleys of titanium, stainless steel and carbon, now offer matching lightweight, colourful, cutting-edge golf bags. With more than 80 (!) models available, the family owned business in Limburg/Germany can fulfil every need – from cart bag to ultra-light carry bag!

JuCad's collection for this season includes newly designed waterproof travel companions. The functional **JuCad Bag Manager Dry** is truly a dream bag with reams of room: featuring 100 % waterproof material with sealed seams, high quality YKK zips and an organiser that holds each iron in place provides for stress-free games. At only 3 kg, this featherweight is one of a kind amongst cart bags. An integrated separate compartment for the JuCad Powerpack and a generous cooler pocket are just a couple of practical qualities included. This all-rounder in both function and design is available in seven different colour versions – now also in olive green and black-pink.

Price: 390 Euro

Weighing-in at a mere 1.3 kg, the ultra-light travel and carry bag **JuCad Bag Superlight** is perfectly suited for a quick round of golf or air travel. Manufactured in durable nylon fabric, the bag features 4 club divisions (7 inch diameter), a padded double shoulder strap and, of course, the JuCad comfort to which you are accustomed. Thanks to intelligent design, including the innovative folding mechanism, the bag can be placed safely on a trolley without the legs causing any obstruction. The transport handle facilitates easy manoeuvring. Despite its very low weight, compartments for the JuCad Powerpack, drinks and an umbrella are included. The JuCad Bag Superlight fits perfectly into the functional and durable JuCad Travelcover – there is even room for a second! New colours for 2018 are: black-white, white-blue and grey-white.

Price: 140 Euro
